## Submission Form

### **Criteria / proposal guidelines**

ART OF THIS GALLERY is committed to showing artwork that is new, socially relevant, conceptual and experimental. To being the process of exhibiting at Art of This, the gallery staff considers specific proposals for the space. When considering proposals, the gallery staff will favor projects that contain artistic rigor, are highly imaginative and innovative, locally engaged, and challenging to dominant notions of art. AOT is also interested in how artists will engage both the gallery space and the audience that visits that space.

AOT encourages solo, two-person, and small group installation projects, featuring mixed media, sound art, video, performance and body art. Sound art events, video screenings, presentations, and performances of shorter duration (one-night-only or a few repeat performances) are also appropriate for this art space.

If interested in discussing your proposal further, AOT will contact you to set up a meeting time with the gallery staff. All decisions are made collectively amongst the gallery owners.

Please provide a detailed description of the proposed project, such as an articulate explanation of its visual and conceptual elements, as well as visual aides such as sketches, photos, audio, video, etc. Please include written information that takes the form of an artist bio, artist statement, or commentary about you and your work that may provide AOT with further context of the work, as well as be published in any promotional material.

### **Documentation of past work**

AOT will need to be able to view/hear/understand work that you have done in the past before accepting any proposals. Preferred documentation formats include: DVD, CD-R, tape, slides or prints. Please accompany all images/samples with a description of the artwork along with media used, dimensions and date produced/performed/exhibited. The gallery is not responsible for lost or damaged submissions. Please do not send original artwork. AOT will not

return submissions through the mail, but past work submissions will be available for pick-up at the gallery upon request.

**Exhibition schedule**

The Art of This exhibition schedule is flexible in attempting to accommodate the needs of each project. However, if the proposal is accepted, the gallery staff will determine scheduling.

**Sales**

Art of This will take 40% commission on all sales. However, the gallery is not dependent on sales or salability, and the artwork's commercial ability is not a criterion for exhibiting at Art of This.

**Please provide the proposal information, past documentation, a check for \$25.00 and this sheet, either via mail or email. Feel free to contact AOT with any questions or concerns. We're flexible and willing to work with all artists. Okay!**
